This architectural drawing shows a two-story house with a stone foundation. The exterior walls are finished with horizontal siding. The house features a central entrance with a small porch supported by columns. There are several windows, including a large bay window on the right side of the ground floor and a smaller window on the left. The roof is gabled, and the gables are finished with a patterned material, possibly shingles or a decorative siding. The drawing is a black and white line art illustration.

This floor plan shows a 2-car garage house with a covered porch, patio, kitchen, breakfast room, family room, dining/study, foyer, and 2-car garage. The layout includes a large 2-car garage at the front, a foyer with a coat closet, a dining/study area, a family room, a breakfast room, a kitchen with a pantry, a powder room, and a locker room. A covered porch and patio are located at the rear of the property.
